Health Unit at Turuvanur

*Q.—440. Sri J. R. HALASWAMY (Jagalur).—

Will the Minister for Health and Housing be pleased to state :—

(*a*) whether any representation has been received from Town Municipal Council, Turuvanur to sanction a Government of India type Health unit at Turuvanur ;

(*b*) if so, the action taken by the Government in that behalf ?

A—Sri K. PUTTASWAMY (Minister for Health and Housing).—

(*a*) Yes.

(*b*) As two Primary Health Centres of Government of India Type have already been sanctioned for the two Community Development Blocks in the Chitradurga Taluk and as there is no provision for sanctioning a third Primary Health Centre for this Taluk, Government is considering the question of upgrading the existing RSLF Dispensary into Local Fund Dispensary. Detailed proposals in this behalf have been called for from the Director of Health Services in consultation with the Taluk Development Board, Chitradurga and Town Municipal Councill Turuvanur.

ಶ್ರೀ ಜೆ. ಆರ್. ಹಾಲಸ್ವಾಮಿ.—ತುರುವನೂರಿನಲ್ಲಿ ಆರೋಗ್ಯಕೇಂದ್ರವನ್ನು ಸ್ಥಾಪನೆ ಮಾಡುವುದು ಬಹಳ ಅವಶ್ಯಕ ಇದೆ, ಆದ್ದರಿಂದ ಅದನ್ನು ಅಲ್ಲಿ ಸ್ಥಾಪನೆ ಮಾಡುವುದಕ್ಕೆ ಸಾಧ್ಯವಾಗುತ್ತದೆಯೇ ?

†ಶ್ರೀ ಕೆ. ಪುಟ್ಟಸ್ವಾಮಿ.—ಕೇಂದ್ರಸರ್ಕಾರದವರು ಹೆಲ್ತ್ ಯೂನಿಟ್ ಕೊಡುವುದಕ್ಕಾಗುವುದಿಲ್ಲ ವೆಂದು ಹೇಳಿದ್ದಾರೆ. ಈಗಾಗಲೇ ಕೊಟ್ಟಿದ್ದು ಮುಗಿದುಹೋಗಿದೆ.

ಶ್ರೀ ಜೆ. ಆರ್. ಹಾಲಸ್ವಾಮಿ.—ಈಗಾಗಲೇ ಮಂಜೂರು ಮಾಡಿರತಕ್ಕ ಹೆಲ್ತ್ ಯೂನಿಟ್ ಗಳು ಯಾವುವು ?

ಶ್ರೀ ಕೆ. ಪುಟ್ಟಸ್ವಾಮಿ.—ಒಂದೊಂದು ಬ್ಲಾಕಿಗೆ ಒಂದೊಂದು ಹೆಲ್ತ್ ಯೂನಿಟ್ ಕೊಟ್ಟಿದೆ. ತಾಲ್ಲೂಕು ಬೋರ್ಡಿನವರು ಏಲ್ಲೆಲ್ಲ ಕೊಡಬೇಕೆಂದು ಶಿಫಾರಸ್ಸು ಮಾಡಿದ್ದಾರೆಯೋ ಅಲ್ಲಿ ಮಾಡಿದ್ದೇವೆ.

Sri H. SIDDAVEERAPPA.—Are there two types of health centres, one the Government of India type and another the Mysore Government type and if so, what is the difference between the two ?

Sri K. PUTTASWAMY.—Originally, the Mysore Government was having Local Fund Dispensaries. In some areas where the incidence of malaria was heavy, they were converted into health units. Subsequently, after the N. E. S. came into existence, the Government of India approved of a scheme to start Government of India type of health unit. They have a certain pattern and for that 75 per cent of expenditure on non-reccuring is given by Government of India and 25 per cent on recurring expenditure. That is the Government of India type. We have also the Mysore type health dispensaries now. They are grant in aid dispensaries started by taluk boards.
